

Programme Outcomes, Programme specific outcomes and course outcomes for all programme offered by the institution are stated and displayed on website and communicated to teachers and students.

The curriculum is designed by the parent university. The college teachers have to define the programme outcomes for each programme offered by the college. The curriculum of self-financed certificate courses and designed by the teacher. Their programme outcomes are displayed on the college website.

Mechanism of communication

All the departments in our college conduct regular programmes along with specific additional courses. IQAC asks to define their programme outcomes and course outcomes to the departments. These outcomes are displayed on the notice board. The students are informed about these outcomes in the Principals meeting. In the Alumni meeting, the discussion on these outcomes is made in the presence of the students. The college has arranged two self financed certificate courses yearly and its curriculum designed. Its programme outcomes are also stated and displayed on the college website. These outcomes are communicated to the students in regular classes.

Some departments arrange subject related Self-finance Certificate Courses for developing their various skills. Department of Public Administration started certificate course related to syllabus. The impact of this, our certificate course Election, Democracy and Good Governance is now compulsory paper for the B. A. First year students by the parent university. This process also ensures quality culture of the institution. As well as the department of English started the self-financed certificate course, Spoken English. The impact of this course is that our student's communication skill improved and they confidently participated in Campus Interviews arranged by our College Placement Cell.

We run Yashvantrao Chavan Maharashtra Open University centre. In this centre runs Pre-preparation course of B. A. and M. A. in Marathi. The curriculum is designed by the university. The programme outcome displayed on notice board. The impact of Pre-preparation course of B. A. is that the students those who could

not complete their education in their past life they got an opportunity. M. A. in Marathi course got the opportunity to complete the P.G.

The college does every effort to make the students full of knowledge and skills with well developed personality. The programme outcomes are measured over a period of time by assessing the performance of the students in the role they played in various activities like NSS, Cultural, Sports and co-curricular activities.

The feedback is taken from the students, alumni, parents and stakeholders time to time. It benefits to improve our teaching-learning process.
