Institutional distinctiveness:

The College and the institution make an educational platform for common people who are very poor, deprived and helpless to achieve the education. Education for common people, it is the main aim of our institution and college to create educational environment in rural area. In this regard college has started educational awareness movement in rural area last two years. The results of this campaign are very significant. The ratio of higher education is increasing especially the women's participation in higher education. The college has adopted the four villages every year. Our faculties visits the villages, motivated them and give guidance about higher education. The villagers, parents and students participate in this programme and they interact with the faculties in this regard. The faculties interact with rural people and ask their educational problems. The interaction on these educational problems faculties suggests and gives solutions. This practice develops students, parents, alumni and stakeholder's critical thinking and decision making skills and combines traditional classroom teaching with real world experience. The rationale behind the practice is that skills are important to face the challenges in life. The college supports and motivates our teacher and students to undertake educational activities to face the challenges in their life. This practice will make the medium of society and the institution to spread the higher education from bottom of the society.

The college has placement cell which conducts campus interviews time to time. Last year we arranged two campus interviews with the help of ICICI bank.

The college has arranged blood donation camp in collaboration with alumni. In this year we have collected 47 blood bags. The college has students' adoption scheme.

The college has Multi-Gym facility, certificate course and career guidance free of cost.

To motivate the students all department started Subject Awards for meritorious students of B.A. third year as well as co-curricular departments also give awards for meritorious students.
