2.3.2. Teachers use ICT enabled tools for effective teaching-learning process.

Response:

Teachers use ICT enabled tools for effective teaching-learning process to enhance and impart knowledge and skills to students and to make learning more interesting and student friendly.

- The Principal motivates the teachers to use ICT tools, e-learning resources, and online courses in order to make teaching-learning process effective. The college has a computer lab which has 20 computers.
- The college has ICT enabled seminar hall.
- The college has free WIFI facility for staffs and students.
- Some departments have separate laptops.
- Faculty members make use of the PPT, LCD projector, laptops, internet, and other modern teaching tools to make teaching-learning process more effective.
- All staff is well familiar with all the latest ICT tools.
- The affiliating university has introduced compulsory Computer paper for BA first students.
- Some departments organized online quizzes.
- PPT bank of teachers is uploaded on the college website.
- All departments use PPT and multi-media tools for effective teaching-learning.
- Language departments regularly use movies screening of the novels, dramas, short stories etc. which prescribed in the curriculum.
- Similarly, Social science departments also use YouTube videos and other multimedia for effective teaching-learning process.
- Our college library is equipped with Wi-Fi and internet connection and regularly updated with online resources. It also has collection of CDs and DVDs.
- Social media is skillfully used by various departments of the college through Whatsapp group.

- The institution and the Principal of the college encourage teachers to attend training programmes, workshops, seminars and conferences related to the use of ICT.
- Teachers regularly shares study materials from e-books, web pages, YouTube videos, and relevant resources.
- During the lockdown due the Covid-19 Pandemic, since March 2020, the college has started online teaching as per university circulars. Students of our college started enjoying these teaching methods which is delivered through the platform such as Google Meet and Zoom.
- The curriculum has been delivered online and university examination was also conducted via online platform due to Covid-19 Pandemic.
- Besides the online classroom activities, our teachers take certain initiatives for ICT enabled teaching like making videos on curriculum and uploading on YouTube.
- Even various departments of the college organized online webinars successfully.
- Students are encouraged to prepare presentations, projects and field reports using MS word, MS PowerPoint and other ICT tools.
