Institutional Distinctiveness

Vasantrao Kale Mahavidyalaya, Dhoki is the only HEI situated in a drone-prone area town to cater the educational needs of nearby students. There was no facility of higher education in this area before the establishment of our college. This opportunity is made available by Kisan Shikshan Prasarak Mandal Borgaon (Kale) Latur. There is majority of the people are farmer that farming is the main source of survival. It has been reiterated that the college is shaping up physically and mentally through public participation. The college has rich tradition and practice of reaching out to the poor and socially and economically deprived students since its establishment. The motto of our Institution is 'Samanyasathi Shikshan' means 'Education for Common people'. The vision of the institution is to impart higher education to all classes of society, especially to socially and economically deprived classes to make them self-confident and self-reliant. The institution strives to give quality education and provides better facilities to the students for their holistic development.

Institutional distinctiveness:

Distinctiveness of the college is as below,

Educational Awareness Campaign:

The College and the institution make an educational platform for common people who are very poor, deprived, and helpless to achieve the education. Education for common people, it is the main aim of our institution and college to create educational environment in rural area. In this regard, the college has started **Educational Awareness Campaign** last three years. The result of this campaign is very significant. The ratio of higher education is increasing especially the women's participation in higher education.

The college has adopted four villages such as **Wakharwadi, Tugaon, Bukanwadi and Deolali** for educational awareness campaign. Our faculty members visit those villages and motivate the people to take higher education. The villagers, parents, and students participate in this programme and they interact with the faculty members in this regard. The faculty members interact with rural people and ask their educational problems. In this interaction, educational problems are discussed and solutions are given on it.

The college supports and motivates our teacher and students to undertake educational activities to face challenges in their lives.

Certificate Courses:

The college has conducted various certificate courses such as ‘Yoga’ by the Department of Physical Education, ‘Elocution: Technique and Art’ by the department of Marathi, ‘Spoken English’ by the Department of English, ‘Election, Democracy and Good Governance’ and ‘Rural, Local Government in Maharashtra’ by the dept. of Public Administration to enhance the quality education and employability of the students. These courses are free of cost and help students to become familiar with the application of their classroom teaching-learning. These courses strengthen the knowledge, communication skills, creative and productive abilities, job opportunities. These courses also help the students for their holistic development.
